Dearness allowance to retired employees of local bodies etc

Sir,

With reference to your letter No.Fl.621/S&A ~~9-44-4~~ 154-43-9 dated 12-8-44 stating that the question of payment of Dearness Allowance to the retired employees of the local bodies whose pensions are wholly paid from the funds of the local bodies, has been referred to the Local Self Government Department of Government for disposal, I have the honor to state that instructions have been issued to the treasuries not to disburse Dearness Allowance to such pensioners in future and to recover the amount already paid since April 1944.

In this office letter No.544/Pen dated 1-6-1944, I had requested orders whether the Dearness Allowance is to be paid to the pensioners drawing their pensions from local and other funds also. But no orders have been communicated re. the pensioners paid out of other funds. I therefore request you to kindly intimate whether the allowance is admissible to the pensioners whose pensions are paid out of the Insurance and Muzrai Funds.

I have the honor to be,
Sir,
Your most obedient servant,
Comptroller

In this office letter dated 19-6-44, it is clearly stated that the charges on account of clearness allowance have to be borne entirely by Govt even in cases where pensions are debited to different funds (such as local or Transformed) according to the Rules of Pensions.

It is not known how the audit is justified in saying that no orders have been communicated to the pensioners who are now paid net of the Govt clearness allowance is allowed

to the retired employees [redacted] pensions are partly met [redacted] General Revenues & partly from other funds.

What exactly is the difficulty & the Audit Office, it is rather difficult to decipher

Subject for orders

Yes
11/9/44 The Comptr evidently has, in his mind 5 categories of pensioners as indicated below for purposes of 'dearness allowance'

(1) Pensioners paid entirely from general revenues
(2) " " partly from Gen: revenues & partly from Local Funds
(3) " " entirely from Local ~~Boards~~ Revenues
(4) " " ~~entirely from palace~~ Perlimpad funds.
(5) " " entirely from palace funds
" " from Insurance, Nuzzrai & other Funds administered by Govt.—

Orders on (1) & (2) have been passed. Re: (3), the Comptr has been informed that it is engaging the consideration of Govt in the L.S.G. Branch. The Comptr now reports that instructions have been issued to stop further payment of dearness allowance to such pensions & to recover the amounts already paid. Re: (4) the Comptr has been informed that it is the look-out of the palace. He now wants clear orders, on item (5) i.e pensions paid from Insurance, Nuzzrai & other similar Funds administered by Govt. - (~~Previous Govt Orders~~)

11-9

Dearness" and "Nuzzrai Funds are Government moneys, and if pension is now being paid out of these funds, I think the pensioners are entitled to Dearness allowance.

The Comptr may be informed accordingly.

Subd with a change for orders

Vide 1513 It has to be made clear whether 'Insurance allowance' paid to pensioners whose pension charges are met from 'Insurance', Municipal & other funds, have to be debited to these funds or to general revenues. It would be indefinite to say that it may be borne by Govt. the intention of the original order is that it is to be debited to general revenues - as vide the procedure re: pensions met partly from general revenues & partly from local funds.
